One day my father left to get firewood.

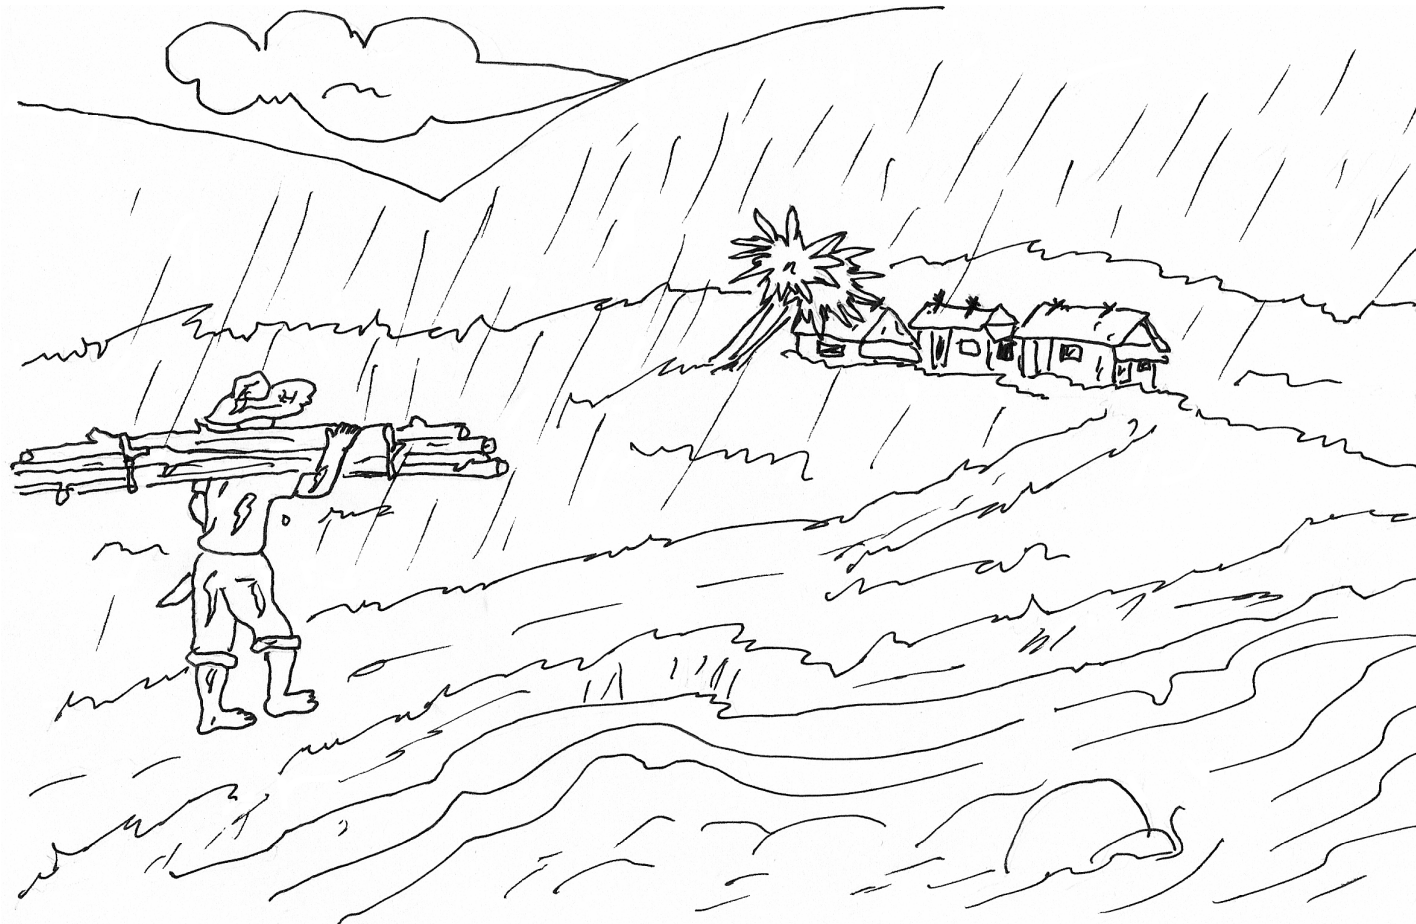

When he was in the work field, suddenly it rained.

Father was in a hurry of getting firewood. When he got firewood, he went home right away.

But when arrived in the creek, he saw that the flood was already very deep.

When he saw that the water was already shallow, he went home.

Father was happy that he did not drown in the flood.

My father who gets firewood

One day my father left to get firewood.

When he was in the work field, suddenly it rained.

Father was in a hurry of getting firewood. When he got firewood, he went home right away.

But when arrived in the creek, he saw that the flood was already very deep.

When he saw that the water was already shallow, he went home.

Father was happy that he did not drown in the flood.
